## AntWak Masters Program in Cybersecurity Terms & Conditions

A Candidate can join the AntWak Cybersecurity Masters Program (hereinafter referred to as "Program" or "Service") by choosing either of the following model

1.  Prepaid with Money Back Guarantee Model: The Candidate will pay the entire Program Fees at the time of joining the Program.
2.  Pay After Placement Model: The Candidate will pay a part of the fee upfront at the time of joining the program and will pay the remaining fee post placement.

The AntWak Cybersecurity Program is an Intensive program, the candidate has to complete the specialization they have enrolled and comply with the Terms of Job Guarantee.

**Eligibility criteria to qualify for Job Guarantee Program:**

1.  Attend all the scheduled classes. The attendance will be taken twice during each class to mark the presence of each candidate
2.  Timely submission of projects
3.  Satisfactorily complete all projects. (65% + score in each project)
4.  All projects will be evaluated for plagiarism check. The candidate should complete all projects and pass through plagiarism check

Only upon completion of above criteria, the Candidate will be eligible for Job Placements. The candidates not fulfilling above criteria will not be eligible for job guarantee program and will not get refund.

In case, any student needs to miss out any class or delay in project submission, they need to take prior approval from AntWak Cybersecurity Program team and may need to furnish proof in case asked. Overall the class miss out or delay in project submission instances should not occur more than thrice during the program

**Terms of Job Guarantee:**

*   The Job guarantee period will be for the duration of 8 months and will start after the successful completion of the program
*   The candidate need to attend all the scheduled interviews subject to following conditions
    1.  Freshers need to appear for all interviews with CTC = > 2.4 lpa
    2.  For students with experience, they need to appear in all interviews providing at least 20% hike over their current CTC. The experienced candidates need to submit their latest CTC and salary slip to ascertain the same.
*   There will be no refund if the candidate is not interested in applying for jobs or if the candidate doesn't attend any of the interviews scheduled.
*   The candidate has to join the company if the CTC offered to freshers is greater than or equal to 2.4 LPA on the given date and location and at least 20% more than current CTC for experienced candidates.

- If the candidate fails to join for any reason whatsoever, he is not eligible to claim refund and the Company is also under no obligation to give refund."
- The candidate must inform the company if he/she gets a job within 16 months from the start date of the program in cybersecurity or adjacent roles. This job is also considered as an outcome of the specialization program.
- If the candidate is rejected by the company on any other grounds other than their skills (Ex: background check, etc.), we are not responsible and the Company wouldn't provide the refund.
- If any candidate studying UG/PG is a part of the program, we provide all the necessary training. The Job assurance 8 month period will start only after the completion of the program or graduation whichever is later.
- Company is not responsible if the candidate loses the job provided through the AntWak Cybersecurity Program.
